The Ambassador of Sporty Poland is a title awarded to companies and local authorities that support the development of sports infrastructure and are involved in promoting sports among children, youth and local communities. “The Ambassador of Sporty Poland 2018” award is a great honour for us. We have been supporting sports, physical activity and the sports community for years. The spirit of sports competition is inherent in Selena’s activities. **Our company organised the Titan of Polish Sports event as part of which the biggest Polish stars were awarded, including the late Irena Szewińska as well as Jerzy Dudek and Władysław Kozakiewicz.** We’ve also supported the volleyball team of AZS Częstochowa, who in 2012 won the European volleyball cup – for the first time in 34 years. ‘We Build Sporty Poland’ is an initiative whereby entrepreneurs, local authorities and individual investors join forces to create a modern and safe sports and recreational infrastructure. This initiative also allows us to share experiences and express opinions, and more importantly – it provides an opportunity for networking, which helps build the essential business element – trust”, says **Andrzej Ulfig, the CEO of Selena**
